NEWS

We thank State Representative Purcy D. Walker for speaking at our last Member breakfast. Thanks also goes to Brian Hay for his update on the wind generator sites and construction; and to the new Cheyenne Schools superintendent, Rick Garrison, for his brief update on the school.

Rick Garrison will be this month's speaker and bring us up to date on school happenings and his plans and goals for the school year.

The Chamber participated in this year's Pioneer Day at the City Park. Thanks to the volunteers who helped "man" the table. We handed out new brochures to and talked to prospective new members.

We will be set up at the "Festival at the Farm," at the Metcalfe Museum this weekend, Saturday, September 27. We will be selling chocolate-covered frozen bananas, Coke and root beer floats.

The Chamber really needs its members to step up and volunteer for some of the committees. Please take a look at the enclosure with this newsletter and sign up. Thank you in advance for your time and help.

This month the Chamber is again sponsoring the County-Wide Fall Decorating Contest for individual families and businesses. If you would like to participate, please contact the Chamber office to register and get a number. More details will be furnished in the Cheyenne Star and flyers.

The Big Buck Contest will start in November. We will get more details to everyone later. If you know of anyone or a business who might like to help sponsor this event, please contact Gene Eakins.

Our monthly breakfast meetings have been well attended. However, we would truly like to have a much larger crowd. Please give attending the monthly breakfast some serious attention. It's a good way to for us to get feed-back from the membership...and you get a morning out with nice company.

Thanks, and have a Happy and Safe Halloween.
