## NEWS

May is here and April has flown by ending up with the Pioneer Days at Hammon.

Beginning with our Chamber breakfast, Jeff Steely with Center Point Energy was the guest speaker and gave us a real insight to the services Center Point provides our community.

Saturday, April 3, the Chamber hosted the annual Easter Egg Hunt in Cheyenne Memorial Park. The event was chaired by Regena Ford and went off without a hitch. She recruited the help of the Cheyenne-Reydon Bear cheerleaders and Volunteer Fireman, Pat VerSteege. The Easter Bunny even made an appearance. Eggs were found, prizes given, pictures taken, a good time was had by all.

The month also held two ribbon cuttings. The first was for the Grand Opening of Merwin's Video, located on Broadway. Merwin's not only provide movie rentals they also host movie viewing on Friday and Saturday night, shows begin at 8:00 p.m.

The second ribbon cutting was for Cheyenne Professional Drug, which has been bought by Jaclyn Stephens. They still provide the same safe and secure prescriptions as Eddie Tom did. They also have a selection of gifts and Pendleton purses. If you don't see what you want, ask them and they will do whatever it takes to try and get it for you.

April 23 & 24 Hammon hosted the Pioneer Days. I was extremely excited to see so many people in attendance. The rodeo was not the only big attraction. There was the marathon, the parade and free BBQ. Though, the wind tried to dampen the spirits everyone seemed to be enjoying themselves.

May is upon us and there are still committees to be filled. Call Kellie at the office and sign up for one. The meeting will again be held at the Chamber Office, located at 101 S. L.L. Males at 7:00 a.m. This month Lisa Conard Frost with Washita Battlefield NHS will be our guest speaker. Hope to see you all there.
