## NEWS

The Sand-Green Challenge was once again a successful event. We had lots of out-of-town players who told us they would be back to play next year. We had so many players that we had to make another Flight, which cost us a little more money, but worth it to have all of the players satisfied and want to come back next year.

Thanks to all of those who helped prepare and serve the meal, set up, and clean up. The Cheyenne Golf Club Members did an outstanding job of having the course in awesome shape. Our Vice-President, Steve Musick, is to be commended for painting and fixing up the "Club House." Each year we have new ideas on how to make this a bigger and better tournament. There are not many "sand-green" courses left and it is truly a challenge.

The one thing we do need is more help, which brings me to the next event we are considering hosting for a fund-raiser. It has been brought to our attention that a Jr. Rodeo and/or a Team-Roping event should be considered as a near future event for the Chamber to host. We will be discussing this at the next Open Chamber Meeting. We need your input and suggestions on how to make this another successful event if it becomes a Chamber project. If you have any suggestions about this or any other item, please e-mail me at [jdearing11@dobsonteleco.com](mailto:jdearing11@dobsonteleco.com)

Don't forget about the "Farmer's Market" on Thursday afternoons. I noticed that on the first Thursday we had one stand set up. We have had a lot of inquiries on the Market and when the gardens start producing I believe we will have many more stands. It is always good to have the "good ole home-grown food" from the gardens.

Notice the change in the Chamber Breakfast Meeting. We felt that July 3<sup>rd</sup> was not a good day to have a meeting. It will be at 7:00 AM on **Monday, July 7, 2008**. Frank Lucas will be the speaker and you will get to meet the next Cheyenne School Superintendent, Rick Garrison. The Chamber Board meeting will be the same day at noon at the Ambulance Barn.

Frances Dearing
